

# 3<sup>rd</sup> (AC)<sup>3</sup> Science Conference on Arctic Amplification

October 25<sup>th</sup> – 27<sup>th</sup>, 2021

Seminaris SeeHotel Potsdam,  
An der Pirschheide 40, 14471 Potsdam, Germany

## Corona Guidelines

- 1) Participation only for vaccinated and recovered persons.
  - Vaccinated: valid vaccination certificate (valid full vaccination at least 14 days ago), QR code
  - Recovered: positive PCR-Test, which is at least 28 days old and not more than 6 months old

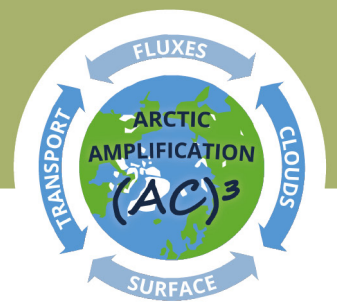

- 2) Conference participants with symptoms of illness are not permitted to attend or enter the event.

- 3) A mouth-nose cover is mandatory in all public areas of the hotel as well as in the restaurant, the foyers and the sanitary facilities, etc. (FFP2 or medical mask).

- 4) A minimum distance of 1.5 meters between people must be observed on all access routes and in rooms at the location / in the hotel before, during and after the event as well as during the breaks / stay in the foyer, etc. Please use the one-way system.

5) The current contact restrictions must be observed.

6) Hand hygiene: Hand disinfection is mandatory before entering the event room. Use the hand sanitizer dispenser and/or wash your hands thoroughly as often as possible.

7) Observe and practice respiratory hygiene and cough etiquette.

8) Social interactions such as handshakes, hugs, pats on the back, etc. are forbidden.

9) Without participant registration at the registration desk (first name, last name), entry to the event is not permitted. The data is handled in compliance with data protection regulations.

10) The participants are obliged to report to the organizer in the event of a quarantine or infection occurring 14 days after the event.

11) Please ensure that the conference room is adequately ventilated yourself.

12) If you have to pay for something at the event location, use the contactless payment method, if possible.

13) Think about the AHA-form: keep your distance, pay attention to hygiene and - where it gets crowded - wear a mask.
